**Your Winter Escape Starts in
San Pedro, Belize**

Why Book Your Fishing Trip Now?

The best fishing days don't wait — and neither should you! Prime tides, top guides, and the most comfortable lodging dates always go first. Whether you're new to fly fishing and eager to learn on our crystal-clear flats, or an experienced angler ready to take on the Grand Slam challenge of tarpon, permit, and bonefish — booking early ensures your ideal adventure. Let's get your lines tight and your days on the water set — **now's the time to reel it in with Reel Belize!**

RESERVE YOUR DATES NOW

Three Reasons to Book Now:

Prime Fishing Conditions - Best tides, weather, and fish activity. Let us help you find a great time for you to be fishing Ambergris Caye Flats.

Reel Belize Guides - We are a small team of dedicated guides that promise to give you the very best flats fishing around Ambergris Caye.

Escape Winter - Leave snow and slush behind for palm tress and turquoise water. It's good for the soul and people will notice your happiness!

Bonefish are the "heart and soul" of flats fishing around Ambergris Caye.
So much fun!

Reel Belize Bonefish School

Reel Belize Bonefish School – 2026 Enrollment Now Open!

An **action-packed week** of fly fishing the crystal-clear flats of Ambergris Caye—designed to take your saltwater game to the next level.

Led by **Lori-Ann Murphy**, a seasoned guide trained by the best—**Lefty Kreh, Joan Wulff, and the Rajeff's**—you'll learn how to **double haul or improve your line speed, get rid of tailing loops or spaghetti casts**, rig your leaders with purpose, and make smart fly selections for the moment that matters most.

This isn't just fishing. It's learning, casting, laughing, and chasing bonefish in a place where the flats stretch forever.

Small group. Big instruction. Huge fun.

 [\[Secure Your Spot for 2026\] February 21-28.](#)

Tarpon on Fly. There is no better game fish on light tackle. It's something so thrilling to be connected to a creature that is over 100 million years old!

Tarpon have existed for about 100 million years — true prehistoric survivors of the seas.

Guided days out on the flats of Ambergris Caye. Guides meet you at your dock and away you go! Bonefish, Permit, Tarpon - all year.
