## Your Winter Escape Starts in San Pedro, Belize

The most exciting fishing of the year is right around the corner.

November through April is prime time in Belize for permit, tarpon, and bonefish - and the best dates go to those who book early. Whether it's stalking a tailing permit in knee-deep water or chasing rolling tarpon at sunrise, every moment is pure magic.

Secure your preferred guide, tides, and accommodations now, and start counting the days until your trading winter coats for sun shirts.

## Reel Belize Bonefish School

 **Reel Belize Bonefish School – 2026 Enrollment  
Now Open!**

An **action-packed week** of fly fishing the crystal-clear flats of Ambergris Caye —designed to take your saltwater game to the next level.

Led by **Lori-Ann Murphy**, a seasoned guide trained by the best—**Lefty Kreh, Joan Wulff, and the Rajeff's**—you'll learn how to **double haul or improve your line speed, get rid of tailing loops or spegetti casts**, rig your leaders with purpose, and make smart fly selections for the moment that matters most.

This isn't just fishing. It's learning, casting, laughing, and chasing bonefish in a place where the flats stretch forever.

**Small group. Big instruction. Huge fun.**
